JACKMAN - Eleanor Louise "Matzdorff" Frigon, 87, passed away Friday, April 30, 2017, at Jackman Regional Health Center. She was born Nov. 14, 1929, in Groton, Conn., the daughter of the late Richard and Aldea (Courchaine) Matzdorff.

She married Robert William Frigon on June 21, 1947. She and Robert raised five children in Connecticut and Rhode Island until moving to Jackman in 1971. She was a stay at home mom for all of her children. Later, she enjoyed volunteering at the Jackman Regional Health Center and working her job at Kori's Kap was especially important to her. Eleanor was a great mom who taught the love of cooking to her children, among many other things. She had many interests, cake decorating, sewing, crafting, quilting, collecting salt and pepper shakers of which she had over 900 sets, playing cards, playing scrabble and volunteering. She always loved a good snow storm.

She was predeceased by her husband of 65 years Robert Frigon; a son William; a grandson Adam; and all five of her brothers Richard, George, Leonard, Gerald and Ronald.

Eleanor is survived by her children, son Joseph and wife Gail of Cranston, R.I., a daughter Rebecca and husband Charles O'Brien, son Michael and wife Anna, daughter Leslie and husband Andrew McKendry all of Jackman; grandchildren Jeff, Erik, Michelle, Shanna, Heath, Kyle, Ian and Elise; great-grandchildren Peyton, Kori, Grace, Kenzi, Alvia, Owen, Keegan, Maddy and Sam.

The family would like to thank the Somerset Living Center in Bingham, where she started her journey. They would also like to say a special thank you to the staff at the Jackman Regional Health Center, where she resided since November 2016.
