<sup>1</sup> Michel Langlois, *Dictionnaire Biographique des Ancêtres Québécois* (1608-1700) Tome I, Lettres A à C, Sillery: La Maison des Ancêtres & Les Archives Nationales du Québec, 1998. Langlois has examined the primary records, including the notarized ones, and has a number of corrections, additions, and / or disagreements to make for the standard sources. The first book in his series covers only letters A - C and is 500 pages. Nevertheless, even his work has errors, and in the Octobre-Novembre, 1998, issue of *L'Ancêtre*, publication of the Société de généalogie de Québec, he cited corrections to Pierre's ancestry. (I have written them into the book and above.)

- 4 -2 Guillaume BOIVIN (also father of Charles, Guillaume, and François Boivin, three brothers who settled in New France)
- 5 Guillemette LEVERT
- 6 Christophe LECOCQ, Born 1563-1583?
- 7 Jeanne LEBORGNE
- 8 -3 Jehan BOIVIN, Born 1524-1544? at Anet, France
- 9 Michelle VASTIER, marriage before 1564 at Saint-Maclou de Rouen, France
