## Mrs. Diane Frigon Obituary

It is with deep sadness, her sons Connor and Morgan Frigon, and her husband Donald Wood, announce the passing of Diane Frigon.

A native of Montreal and a long time resident of Notre-Dame-de-Grace, Diane was a well known and successful Real Estate Agent in Montreal's Westend.

Open and generous to her friends, Diane was always the first to stand by those in need of a helping hand and a warm heart.

Diane Frigon was passionate about animals. Her home life always included rescued dogs and cats. She loved to travel. Cruising throughout Europe, the Caribbean, and places in Central and South America, and up to BC and Alaska, always taking people she loved with her.

Please send any memorial donations in Diane's name to the SPCA or the Jewish General Cancer Research Center.

As a family we were so fortunate to have this lovely, sweet, caring person looking after our well being 24/7. Diane Frigon had a life well lived. If Connor, Morgan and Don had one last wish it would be for the chance to say "I love you Diane" just one more time.

Peace Diane...bon voyage..
