### In-Depth Interview

February 18, 1997

**Sarah:** How old were you when you started?

**Pete Fregoe:** I was about four.

**Sarah:** Why did you start?

**P. Fregoe:** My brother played hockey and he was three years older than me; because he was playing I started playing.

**Sarah:** What made you first decide to come play for the Bucs?

**Fregoe:** When I played Midget hockey up in Sault Ste. Marie they were affiliated with Des Moines and this was the junior team that everyone came to play for.

**Sarah:** Did you have any other teams you were looking at?

**Fregoe:** I could have played up in Sault Ste. Marie for the junior team but I decided to come here instead.

**Sarah:** Have you ever played any other positions? I heard rumors of a back-up goalie?

**Fregoe:** I'm not very good, but I can play goalie a little bit. I used to fool around and play goalie. I play center normally, but I'm on wing this year, so far.

**Sarah:** Did you ever play goalie?

**Fregoe:** No just fooling around.

**Sarah:** Do you have a favorite pro or college team?

**Fregoe:** Probably the Buffalo Sabres would be my favorite pro team.

**Sarah:** What about a favorite player?

**Fregoe:** That would be Pat LaFontaine.

**Sarah:** What do you like to do besides hockey?

**Fregoe:** I like golfing and playing tennis.

**Sarah:** What's your most embarrassing moment?

**Fregoe:** It was probably two years ago, I was on a breakaway, there were a lot of people at the game, and I fell. That was pretty embarrassing.

**Sarah:** Finish this sentence. My team mates think I'm...

**Fregoe:** A clown.

**Sarah:** Do you have any college plans?

**Fregoe:** The year after this next one I'm going to go to Lake Superior.

**Sarah:** What would the fans be surprised to know about you?

**Fregoe:** Probably that I'm not that serious, it may seem like it on the ice a little bit. But I'm not that serious.

**Sarah:** One last thing, any advice for younger hockey players?

**Fregoe:** Skate, skate, start at an early age, and skate a lot.
