NOTES concerning Armand Edouard Frigon,  
married at 35, deceased at 76.

The middle name spelled Edouard is not on his birth certificate.  
St Louis Church used the French spelling (baptism and  
confirmation records) but civil records used the American  
spelling. Also, Armand was born in RI but had a MA birth  
certificate because of the family's home address.

Married in Laon, France while in US Army Air Corps.

A veteran of the Marines Corps and the Army Air Corps, he had  
served in the armed forces for a combined total of 20 years (his  
obituary incorrectly reported 26 years) before returning to  
civilian life as Warehouse manager of Woonsocket Hospital.

Armand Frigon was an avid golfer.

Armand was in the US Air Force when he married (formerly  
the Army Air Corps) and achieved a rank of Master Sergeant.

Ref.: his daughter, Martha Frigon, member # 151 of the Frigon  
Families Association.
