This memorial website was created in the memory of our beloved Jayne Wong Frigon, 50, born on February 18, 1963 and passed away on September 12, 2013. The grace and strength Jayne possessed throughout her life and battle with cancer was an inspiration to all who knew and loved her. Jayne was always a light, selfless and kind soul with an infectious laugh.

Jayne was born in Kowloon, Hong Kong to Wong Mun Lai and Wong Chui Hang (Kwong). In 1971, a few years following the untimely death of their father, Jayne's family relocated across the world to Sacramento, CA where Jayne spent the remainder of her childhood years. She graduated from Sacramento High School in 1981. After completing high school, Jayne attended the University of California, Berkeley, where she received a degree in Political Economy of Industrial Societies (PEIS) in 1985. She began working for Lehman Brothers, and later joined Charles Schwab, where she remained as Director of Fixed Income for more than 15 years.

Jayne married Doug on December 7, 1996 and often referred to him as "the love of my life." They were happily married for 17 years.

Jayne was a member of Christ the King Catholic Church in Lafayette, California and was very involved with all aspects of her children's education. A voracious reader and woman with a wide variety of interests, Jayne preferred spending time with her friends and loved ones most of all. A self-described foodie with an discerning palate, Jayne loved enjoying wonderful wine and food over stimulating conversation, a trait she has shared with both her beloved children, Ethan and Nicole. She particularly loved exploring the different California wine regions, especially Paso Robles and Amador counties, including the little town of Murphys where she and her family frequently vacationed.

The consummate music lover, Jayne's taste in music was amazingly diverse. She loved jazz, opera, classical, and many contemporary female artists. One of her favorite conversations was one shared with a person of high musical intellect, no matter what the genre.

Jayne delighted in travelling abroad as well, and considered the Caribbean and Italy as two of her most favorite places in the world. She always brought back something special from her journeys to share with those she loved. A kind and gentle soul, Jayne had a loving and generous heart, and was always giving to others.

Jayne was preceded in death by her father, Wong Mun Lai.

Jayne leaves her loving memories to be cherished by her husband Doug Frigon and their two beautiful children, son Ethan (13) and daughter Nicole (10) of Lafayette, CA; her loving mother, Chui Hwang Wong of Benicia, CA; her brothers, George (Isabella) Wong of Elk Grove, CA and David (Connie) Wong of Walnut Creek, CA; her beloved sister, Lisa (Chris) Wong-Rennels of Benicia, CA; her many loving nephews, nieces, great-nephews great-nieces, and numerous other relatives and friends.

"At times human interactions can be uncomfortable, trivial, or difficult. It was never that way with Jayne. She had such kind eyes that were true to her genial nature. Jayne was a calming presence, blessed with uncommon inner peace and strength. Her smile was contagious, her thoughtfulness always genuine. You will be missed Jayne, so very much."

"Jayne, you were such a dear, dear friend. I was so blessed to get to know you as our daughters became friends. I will so miss our "play dates" when we picked up the kids, laughing with you and being in your kind, sweet presence. You were the best and I see the best of you continuing on in your wonderful kids. Love you, Jayne."

"Jayne was a fellow parent from the AIM Class at BV. While I didn't know her well, her outreach and kindness to me was incredible. Even while going through her own treatment, when she learned of my double mastectomy, she offered to help me in any way she could. I will never forget her unselfishness. Many blessings and prayers to her family and children."

"Jayne brought a special exuberance to everything she did. Cheering at soccer games, chaperoning school field trips, even selling Girl Scout cookies was lighter, joyful and simply more fun with Jayne. Spending time with her was both a treat and a lesson in enjoying the truly important things in life."

"Jayne, I will miss seeing you on the baseball fields. I'm glad Ethan had the experience of you being there to see his first-ever home run while the Lafayette Oaks played in Cooperstown Dreams Park, Aug 2013. Ethan will always have that memory of you seeing his 1st home run, and it will help to sustain a part of him as he goes through his life. It was a pleasure and honor to know you."

"I can still feel her spirit here with us now, so alive, strong, giving, and selfless. I hear her laughing, giggling, right now, and that's who I remember: this remarkable, strong, loving, generous woman who was truly, genuinely happy. She lived a beautiful, rich life and shared it with everyone. Even to the end, she was focused on making others happy. I love you & will never forget you!"

"There are few words that can convey how we feel at the loss of our beloved Jayne. Perhaps however, her niece Ashley's thoughts can come close. Yesterday, while talking to the girls - Ashley, Hannah and Abby - about their aunt and things they would remember most, Ashley said simply, "Her essence. Her presence." She then paused and added, "I just miss her." That alone says it all."
